STEM Virtual Mentoring Program

FREE Virtual Mentoring Program for North Carolina 10th and 11th grade students

Why Explore?

Explore New Careers

Prepare for College

Discover Your Passions

Connect with Like-Minded Students

What is Explore?

Explore is a **virtual** mentoring program provided by the NCSSM Division of Extended Learning.

Students are placed in mentoring groups based on interest and schedule.

Groups will meet twice a month via zoom. 1:1 advising sessions are also provided.

Who Can Participate?

NC Public high school students in Congressional Districts 1, 3, and 11 in grades 10-11 are welcome to apply.

Applications open August 2024
